Debbie, just wanted to send you this brief note thanking you for your support and efforts on both the purchase of our new Encinitas home and the sale of our Del Mar house. Buying and selling a home presents many stressful challenges. Your professionalism, guidance and attention to our concerns clearly helped Sue and I through this process.

You were very well prepared and offered sound advice. Your network of service providers also made things a lot easier on both of us when things needed to get done.

We appreciate the work you did for us and would gladly recommend you to others.

Thank you
