

Debbie,

I am absolutely in shock that you have sold our home. We have had it on the market now for 2 years without any buyers showing any interest. You came in and sold it in about 3 months. We were headed for foreclosure and I personally thought that was our only option at that point.

Over the course of those three months you went so above and beyond anything I have ever heard of any realtors doing. You saved my VA loan and my credit, and you sold my nearly "un-sellable" home. Words cannot describe my gratitude towards you.

Thank you Debbie! You are amazing!
